Sir:

Please find enclosed herewith an executed Supplemental Declaration for Patent Application executed by Arun K. Ghosh for filing in the captioned application. The Supplemental Declaration properly identifies the information for the patent application to which this Declaration refers.

A Declaration filed with the application on April 30, 2001, executed by all of the inventors, did not correctly identify the filing date of this patent application. Therefore, only the enclosed Supplemental Declaration is outstanding.

Please record a status change to --LARGE ENTITY-- for the above-referenced application. This application does not qualify for small entity status and has not so qualified since April 30, 2001.

The filing fee paid in this application was based on small entity status that was established in good faith. However, it was later discovered that such status was established in error. Therefore, as required by 37 C.F.R. § 1.28c(2) and c(2), Applicants are paying the difference in the amount paid on the basis of small entity status, and the current filing fee for application as a large entity.

The small entity fees were paid in error, although in good faith and without deceptive intent, from April 30, 2001. A detailed breakdown of the total amount paid, and an indication of the specific deficiency, based on current fees, is shown in the listing provided below:
